# Bison Safe Mobile Application

**The University requires all faculty, staff, students, contractors, and visitors to complete the Daily COVID-19 Self-Assessment Check before reporting to a worksite or visiting any University buildings.**

Bison Safe includes the COVID-19 self-assessment feature along with additional Safety Awareness information. The Self-Assessment tool will determine whether or not you are:

- **Cleared** to be on campus;
- **Cautions** that you are approved but requires you take additional screening measures; OR
- **Denied** and recommend that you seek additional guidance prior to reporting to the campus.
